

DONOR RECOGNITION Program

In addition to the pride of having contributed to the development of the Fundy Civic Centre, the donor will also receive recognition for their generous contribution. The donor recognition program was designed to thank donors for their participation in the major fund-raising campaign.

Part 1: Dedication

In appreciation, the Fundy Civic Centre Inc. offers donors the privilege of having an area of the new Civic Centre dedicated to them. A plaque bearing the name of their company, organization, their own name or that of another person of their choice could be placed in an interior or exterior location, and/or on a piece of equipment chosen by the donor from the list below. This privilege is reserved for donors pledging \$50,000 and more.

It is important to note that the amount associated with a dedication does not necessarily represent the construction or purchase cost of the dedicated area or its actual value. In this respect, its value comes through visibility, goodwill, prestige and geographic positioning.

The dedication offered to a donor will last a maximum of 20 years. After that period, if another fund-raising campaign is needed or the current dedications have to be altered, the donor will have the first prerogative to renew or change the dedication based on an additional contribution. The donor may also choose to withdraw.

Spaces will be attributed to donors on a first come, first serve basis.
